What is the Early Years Foundation Stage?

- The Early Years Foundation Stage (E.Y.F.S.) is the stage of education for children from **birth** to the **end of the Foundation year**

- It is based on the recognition that children learn best through **play and active learning**

Within the EYFS there are 7 areas of Learning and Development:

1. Communication and Language
2. Physical Development
3. Personal, Social and Emotional Development
4. Literacy
5. Mathematics
6. Understanding the World
7. Expressive Arts and Design

Morning Activities

- This is a very important time for your child, as it gives them time to settle, greet their teachers and their friends, choose what lunch they will be having and then start an activity that will support and enhance their learning
- If your child is persistently late or has a poor attendance record, **this is likely to have a significant negative effect on their progress**

Times for September

8:45 a.m. - Main playground gates will open

8:55 a.m. - Gate will close and all children in school

Discovery Time

During the school day, the children have 'free-flow' access to both bases and we organise a coloured band system for access to the Canopy and Outside areas. All teachers and teaching assistants work with all the children, at various times throughout the week.

**This is the school hall – where we
have liturgies, eat lunch and have
P.E. lessons**

Lunches

- Every child in Foundation Stage is entitled to a free school meal, until the end of Year 2
- They can choose a school meal or bring a packed lunch from home **(No nuts or nut based products)**
- There is a choice of a meat, a vegetarian, a jacket potato or a sandwich option
- You will be given a school lunch menu so that you can help your child to choose an option and details are on our school website; <https://www.spcps.co.uk/school-lunches>
